**Subject:** PO Writer Exhibits

As discussed this morning, we are withdrawing our objections to PX-482 and PX-483.

We are also withdrawing our exhibits DX-142 and DX-124.

We will amend the description of DX-121. We suggest: "Tutorial for Purchasing Module manual, P.O. Writer Version 10.0 (McEneny Depo. Ex. 6)" - is this acceptable to you? If not, please let us know how you would change it.

We will also amend the description of DX-122. We suggest "Chapter 1 for Purchasing Module manual, P.O. Writer Version 10.0 (McEneny Depo. Ex. 103)" - is this acceptable to you? If not, please let us know how you would change it.

Finally, we ask that you reconsider your objections to DX-136 and DX-139. Both were listed in Dr. Shamos's report and the second supplemental invalidity contentions.
